MPX NATIVE | REVERB PLUG-IN

Registration Card

Thank you for purchasing the MPX NATIVE REVERB PLUG-IN from Lexicon!

Please follow these simple steps to get started:

1. Install the MPX NATIVE REVERB PLUG-IN on your computer.

2. Go to iLok.com and create an account or sign in if you already have an existing account.

3. Locate your license code on the back of the included DVD sleeve and download the license to your iLok2 USB smart key.

4. You're ready to launch your DAW and enjoy the plug-ins!

This product requires the use of a second generation iLok™ USB smart key.

You must download the license to your iLok2 USB smart key before you launch your DAW. Otherwise, your DAW may fail to recognize the plug-ins and you might have to uninstall and reinstall your DAW.
