Supplier's Declaration of Conformity (SDoC)

We

Company Name: Harman Professional, Inc.
Post Address: 8500 Balboa Blvd
Postcode and City: Northridge, CA, USA 91329
Telephone number: +001(818)841-4600
E-Mail address: Curtis.thornburg@harman.com

declare that the SDoC is issued under our sole responsibility and belongs to the following product:

Apparatus Model/Product: Martin ELP CL, Martin ELP WW
Type: Stage luminaire

Object of the declaration:

The Martin ELP CL is an ellipsoidal/profile lighting fixture with a 260W red, green, blue, amber & lime LED engine that produces a sharp gobo projection with a flat field. The Martin ELP WW is an ellipsoidal/profile lighting fixture with a 260W warm white LED engine that produces a sharp gobo projection with a flat field. The only difference between them are LED types.

The object of the declaration described above is in conformity with the relevant standards:

These products have been tested by Watelk and complied with FCC Part 15, Subpart B and ANSI C63.4-2014 standard limits.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference,
(2) this device must accept any interference received, including interference that may cause undesirable operation.
